📖 Resource library — available to all schools

📄 Quickstart Guides

Step-by-step setup and onboarding guides for every Faria product - ideal for new staff or returning admins refreshing their knowledge.

- Product setup and configuration walkthroughs
- New academic year checklists
- Role-specific getting-started guides

All plans

☰ Case Studies and Blogs

Real-world examples of how Faria schools use our platforms - including workflow improvements, curriculum strategies and data management approaches.

- Success stories by product and region
- Best-practice from product experts
- Thought leadership on international education

All plans

⬇️ Import Templates and Planning Tools

Ready-to-use templates for common data tasks, planning workflows and school operations - saving admin time across products.

- Import templates for users & classes
- Curriculum and unit planning frameworks
- Planning aids for various tasks

All plans

🖥️ Sandbox environments

Essential Demo sandbox

Access a shared demo environment to explore platform features, test configurations and support new user learning - available to all schools.

Standard Demo sandbox

Same demo sandbox access as Essential. Your SEM can help coordinate structured use of the environment for team training sessions.

Premium Custom school sandbox

A dedicated sandbox environment configured for your school. Ideal for staff training, workflow prototyping, integrations and testing changes before going live.

🗣️ Community and events — Standard and Premium

🗨️ Community Forum and Regional Workshops

Standard included

- Community Forum - peer discussions, shared resources and product questions with other Faria schools
- Invites to regional workshops run by our product teams - covering product updates, workflows and best practices
- Topical online sessions hosted by product specialists
- Newsletter with tips, product news and admin guidance

🏠 Priority Event Invites and Preferred Pricing

Premium included

- Priority invitations to select Faria leadership events, roundtables and conferences before general release
- 20% off on select Faria events throughout the year
- School-specific videos, dubbed & subbed into additional languages or role-based materials created for your team
- Custom resources tailored to your school's workflows

Preferred pricing applies to select events only.
