

## Structured professional development that fits how your school actually works

FariaLearn credits give your school flexible access to facilitated PD sessions, coaching hours, certification courses and Faria events. Credits are included in Premium Support, and can be purchased by any school at any time. Each credit equals one unit of professional learning - use them however your school needs most.

# 8

**FariaLearn credits**  
included with Premium Support

**\$1,944 annual value**

**1 credit = 1 unit of professional learning.** Credits refresh annually with your Premium plan or can be purchased a la carte. They can be combined with additional purchases and never expire within your plan year.
